

SmartPhone Users

- ◆ Create, approve and send invoices directly from your phone.
- ◆ View bank details and outstanding invoices on your phone.
- ◆ Upload receipts by taking a photo and do your expenses immediately.

"Just sent an invoice from @Xero with my iPhone over lunch at @wagamama. Easy" @stephenpam

"Have to say the automated bank feed into @xero just makes life so much simpler! Couple that with the fantastic reconciliation, it's fantastic!"

@HelenStothard

"#xero is so much fun to use, I'm actually looking forward to bookkeeping tonight. Yep, seriously!"

@Sourcecraft

"I think I may love Xero a bit too much. It's addictive. And Fun. Which for an accounting system must be unusual!" @RachelProsser

Our Firm

We are a firm of chartered accountants and business advisers based in Ennis, County Clare. We offer the levels of service expected of a small firm, with the expertise expected of a larger one. Our services range from the general, such as taxation advice, to the very specialised, such as inward investment advice.

We constantly strive to be the best in adding value to our clients' businesses. We do this through our advice and our networking ability. We also do it through our effective use of information technology. This allows us to provide innovative services directly to our clients and to perform work efficiently, freeing time to spend with clients on strategic issues.

For a comprehensive list of our services please visit our website.
